SHINER, LAVACA COUNTY, TEXAS, THURSDAY MORNING, FEBRUARY 9, 1911.

NO. 25.

**THE WELD THAT HELD**

Science has developed something infinitely better than the old-style wrap or clamp.

**"PITTSBURGH PERFECT" FENCES ARE WELDED BY ELECTRICITY.**

This is the modern method of construction. Years of life are added through the elimination of serious fence defects.

A WRAP holds moisture, cracks the galvanizing and allows the water to attack the iron. A small amount of displaced galvanizing on "PITTSBURGH PERFECT" REINFORCES THE PROTECTION AGAINST RUST AT THE ELECTRICALLY WELDED JOINT. Examine the joint.

**STAYS CANNOT SLIP.** They are always just where they were put. Stay and strand wires become one piece when the union is made. The fence is like a solid sheet of perforated steel.

**Every Rod is Guaranteed Perfect.**

Don't throw your pennies in favor of the rapid-fencing and now antiquated methods you have heretofore known, to wrap your good judgment.

"PITTSBURGH PERFECT" FENCES REPRESENT PROGRESS, because hundreds of thousands of dollars worth of standard material is daily welded by electricity.

The loop on the average sugar barrel, in the isolated country grocery, stem is an electrically welded product.

If your wagon was made in a large factory, its tires would be electrically welded.

You will find electrically welded joints on the most famous and modern machines. Examine them.

"PITTSBURGH PERFECT" fences are made by this modern, simple and marvelous process, producing "THE WELD THAT HELD."

**MR. FARMER! LISTEN, NOW.** Every agent handling "PITTSBURGH PERFECT" fences is authorized to guarantee this:

That the fences are not injured at the joints.

That the fences are perfectly adaptable to uneven ground.

That the fences will not separate from the strands.

That the fences are all right in every particular.

Could you ask any more definite protection? - Your complete satisfaction is absolutely guaranteed.

So far as I can see, the farmers are busy preparing the soil for a new crop. Some are through plowing.

Mr. and Mrs. Rud. Skrehot, Mrs. John Krum and Mrs. Louis Turk spent last Sunday at the home of John Hercheb.

There is to be at the National hall and a Bohemian theater will be played at night, next Thursday, February 2. Everyone is invited to come and attend the same.

A grand masquerade ball is announced at Turner hall on February 11th. Everybody is kindly invited to come and see the fun.

A little rain would be appreciated very much, especially for our gardens. Well I will ring off for this time. I am as ever,

## Green's School Items.

February 3rd 1911.

Hello, Mr. Editor and readers of the Gazette! You perhaps have thought that the "Green's School Scribe" has dropped out entirely, but here he surprises you again with a few items from his community.

Quite a number from here attended the masquerade dance at Henkhaus on Saturday, January 29th. Not only the young folks report an enjoyable time, but also the old folks, who enjoyed dancing until a late hour, report that this dance reminded them of the dances in the old country, which they had enjoyed in former years.

Miss Annie Kurtz left for Halle'sville on Thursday, February 2, where she will receive instruction in sewing from Mrs. Gillar, who is a very popular seamstress. Miss Annie intends to stay there for at least two months. We will be glad to see her back home at any time.

Most of the farmers are thru tilling their soil for another crop and are now waiting for a good rain so that they may have some prospects of making another such crop like that of the previous year. A good rain will be welcomed by one and all.

Wonder what has become of "Jack Frost"? He must not be feeling like running things this winter. The fruit trees are blooming and the honey bee is busy at work trying to get all the good it possibly can before Jack Frost begins running things again.

Messrs. Sockwell, the cattle buyers of Nickel, were buying cattle in this community one day last week.

Willie A. Huebner and sister spent Wednesday night with Charlie and Albert Kurtz and sisters.

As news is not sufficient to write more, I will ring off for this time, but still remain.

GREEN'S SCHOOL SCRIBE.

## Tortured For 15 Years

bailed doctors and resisted all remedies he tried, John W. Modders of Moddersville, Mich., seemed doomed. He had to sell his farm and give up work. His neighbors said, "he can't live much longer." "Whatever I ate distressed me," he wrote, "till I tried Electric Bitters, which worked such wonders for me that I can now eat things I could not take for years. Its surely a grand remedy for stomach trouble." Just as good for the liver and kidneys. Every bottle guaranteed. Only 50c at Schulze, Gray & Co.

## Dryer School No. 2.

Here I come with some news from our neighborhood.

Most of our farmers have their land ready for planting.

We are enjoying nice warm weather at present, but a good rain would be of great benefit to the country.

Some few people around here have their gardens planted.

Miss Mary Dreyer and Mr. Albert Wendt were visiting Miss Eva Turk last Sunday evening.

Mr. and Mrs. P. Anders have a fine, big boy at their home.

Louis and George Turk were in Yorktown several days this week visiting relatives.

Frank Turk and Willie Hillen are in Gonzales today on business.

Miss Eva Turk and sister, Gertrude, are visiting Miss Adalia Wendt this evening.

Miss Annie Dreyer left yesterday for Shiner where she has gone to take music lessons.

There is a crowd of young folks picnicking at the new bridge this evening.

A FRIEND.

## Life Saved at Death's Door

"I never felt so near my grave," writes W. R. Patterson, of Wellington, Texas, when a frightful cough and lung trouble pulled me down to 100 pounds, in spite of doctor's treatment for two years. My father, mother and two sisters died of consumption, and that I am alive today is due solely to Dr. King's New Discovery, which completely cured me. Now I weigh 187 pounds and have been well and strong for years." Quick, safe, sure, its the best remedy on earth for coughs, colds, grippe, asthma, croup, and all throat and lung troubles. 50c & \$1.00. Trial bottle free. Guaranteed by Schulze, Gray & Co.
